## Organize a Home Improvement Project at an MCCH Housing Site!

### Choose a Group Leader

Your dedicated group leader will manage the project with MCCH staff, visit the site to determine the scope of work, recruit and organize volunteers, and rally your team the day of the event.

### Plan the Project

Let us know the number of volunteers you have and the time and date your group is available. We match your group with the right opportunity. Be sure to collect the tools and materials you will need to complete the job.

### Have Fun Helping

Show up and make a difference in the lives of your neighbors.

Don't forget to sign our volunteer forms and send us photos of your group and before and after your project is complete!
